NEWS FROM SCOUT TROOP #134:

The Scout Troop Committee met Wednesday, Jan. 3rd, at W. Delbon's home on Klamath Street, and re-organized for the coming year. Brisbane's Firemen's Social Club signed up as the Scout Troop's sponsors for the 18th consecutive year--since the original charter was drawn up for Scout Troop #134.

The new Scoutmaster is RALPH RUMBAUGH, to be assisted by SAM COLE, OTTO ARZIE, and JACK GRABOVSKY. Elected to the following offices were BILL ROOK, as chairman --W. DELBON as Secretary-Treasurer --assisted by MILT JENSEN and JOE HEINZER also on the committee.

Each man will handle a group of eight scouts. Any boy, aged 11 to 14, who is interested in becoming a Boy Scout may contact any of the above men--as there is now room for 16 more potential scouts. WEBELOS scouts from the Cub Pack are particularly welcome to join the Scout troop.

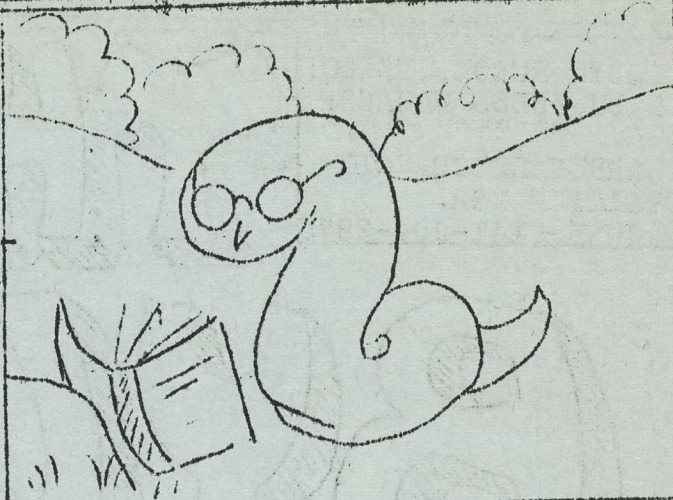

Final Registration will be held at the schoolhouse on the night of January 18th for new scouts. Parents are invited and urged to attend this special meeting.

Scouts already belonging to organized patrols must also re-register at this meeting--as their cards expired on Jan. 1st of this year. The troop has planned activities for every month in this year, and in order not miss out on any of the fun, you are asked to attend the meeting. The first planned activity took place this week when the two organized patrols enjoyed a swimming party at the Chrystal Plunge.

LETTER TO THE PEOPLE:

Hello, Neighbors--

Did you know that we have a new "stopping place"? We have rented the office located at 278 Visitation Avenue (across from Les's Market)--wherein we have dumped all our varied and mysterious equipment which is necessary in our newspaper (?) business. Any time you have a little news item--such as Aunt Bessie's visit, or Cousin Lulu's new baby--or a serviceman husband, brother, son, or boy-friend home for a visit--for pete's sake, drop the item through the slot in the door. We know we are quite brainy and educated and all that---but we did not learn mind-reading in school! yers trooly, yer editor!!

FOR THE BOOK WORM

Well--hello, again-people! It's been quite some time since you have heard from me----but this week I read a wonderfully exciting book, and I just had to share it with you.

If you are a lover of the totally different--the bizarre--the mad--the unbelievably believable--then you must read WHAT MAD UNIVERSE--by Fredric Brown. This is a story of a young man who is standing so close to a bursting rocket that he is unharmed--physically. The fact that he was standing inside the center of the blast area merely transplanted him, through the medium of a time-warp--into a universe exactly like the one he left--except for a FEW CHANGES. It's those few changes which makes this one of the most terrifying and fascinating novels I have ever read. How he gets through the perils of a total mad universe and back into his own and yet not his own!--universe--makes for a very exciting story. Don't read it at night, if you want to sleep calmly and deeply.

Talk not of strength, till your heart has known
And fought with weakness through long hours alone.
Talk not of virtue, till your conquering soul
Has met temptation and gained full control.
Boast not of garments, all unscorched by sin--
Till you have passed unscathed, through fires within!

BENEATH THE TIGER'S JAW I HEARD A VICTIM CRY
"THANKS, GOD, THAT THOUGH IN PAIN,
YET NOT IN GUILT I DIED".
from the "Persian".

REPORT FROM THE RED CROSS:

An unusual and entertaining
program has been planned for this
year's annual meeting of the San
Mateo County Chapter, American Red
Cross, according to Dan Minto,
chairman of the committee for arr-
angements. Assisting him in plan-
ning the evening's entertainment
are Norman Corlett, Miss Helen
MacGregor, Miss Elizabeth Mack, and
Mrs. Charles Grigg. The meeting
will be held at the Peninsula Golf
and Country Club, 701 Madera Drive,
San Mateo--on January 16th, at
8 p.m. It will be preceded by an
informal dinner to which the public
is cordially invited. Every one
who has contributed to the Red
Cross is a member, and is urged
to attend the meeting.

An annual report of activities
and accomplishments of various
services of the chapter will be
presented to each guest in the form
of a picture book, showing Red
Cross in action. The drawings were
done by Miss Elizabeth Farmer,
volunteer artist for the local
chapter.

A very brief business meeting
will precede the evening's enter-
tainment which will feature 150
colored slides taken all over the
county, depicting "RED CROSS IN
ACTION". The slides show local
people from different towns in the
chapter area, busy at their volun-
teer jobs for the organization.
They are in story form, and will
be accompanied by a descriptive
commentary. A concluding finale
which is to be a surprise is being
planned by the arrangements commit-
tee.

Reservations must be made by
those wishing to attend the dinner
but no reservations are necessary
for the meeting which follows.
Call, or write, the RED CROSS at
~~xxxxxxx~~ 1449 Bellevue Avenue,
in Burlingame--before January 12
for dinner reservations.

RON WRIGHT'S SPORT COLUMN:

The first "Teen-Age" Dance, sponsored by the newly formed Brisbane "HI-Y" Club, was a big "flop". There weren't over 25 people there, probably because the dance was held on such short notice. These dances are for youngsters of high school and college ages. Tonight will see the second attempt. If you want these dances to be a success, tell your friends in school, in Candlestick Cove, in Bayshore, at Jefferson High--to come. The admission price is 25¢, and refreshments will be served at the nominal fee of 10¢. Let's try to have at least 100 at this dance.

REMEMBER--FRIDAY NIGHT--JAN. 12TH--AT THE RECREATION CENTER.

The Brisbane "HI-Y" has started signing up for the Basketball League. If you wish to play with the team, join the "HI-Y"--for only 75¢ a year.

Brisbane's new basketball court which will be set up soon, will be put between the Recreation Center, and the pond. The swings and merry-go-round will have to be taken out to provide enough room for the proposed court, which can be used for tennis, as well as basketball. There will be a fence approximately six feet tall around it, to prevent balls from falling into the pond.

CIVIL DEFENSE NEWS:

A meeting of the CIVIL DEFENSE COUNCIL was held last Tuesday night at the fire-house. Council members attending were John W. Smith, Lou Terry, Frank Walsh, Herb Tann, and Wm. Rook, Sr.

Several important items of defense were brought up and discussed, among which the most important was the decision to issue Registration Cards which all Brisbane residents will be asked to fill out in the near future. These registration cards are important to all of us--and will become an extreme necessity if and when this nation enters into World Conflict. We will be asked to fill in these cards with our names, address, phone numbers, age, occupation, business address, and so forth--and we will be asked to state in what capacity we can best serve the common cause if and when disaster strikes.

Until such time as the Registration cards are distributed, temporary registration for volunteer Civilian Defense work may be made

at the following locations: the Fire-house, Laing's Fountain, Brisbane Hardware,---(all in Brisbane Proper)--or at the Riteway Body Shop in Brisbane Acres.

The next meeting of the CIVIL DEFENSE COUNCIL will be held on Tuesday, January 23rd, at 8 p.m., tentatively scheduled to be held at the Firehouse.

Editor's note: CITIZENS! WE ASK THAT YOU VOLUNTEER YOUR SERVICES NOW IN SOME BRANCH OF CIVILIAN DEFENSE. YOU ARE NEEDED, AND WHAT YOU LEARN NOW MAY PAY OFF LATER IN SAVING HUMAN LIVES OR PROPERTIES!

MOTORISTS ARE WARNED OF DANGERS:

January is one of the most deadly months on the highways, the California Highway Patrol warned motorists early this week.

Rain, fog and speed--past records show--combine during this 31-day period to take an unusually high toll of lives. You can't do anything about the rain or the fog. But you can do something about the SPEED!

So obey the first rule of traffic safety, the patrol urged; make a New Year's resolution NOW to drive slowly--and safely.

And make sure that your car is in good mechanical condition. Now is a good time to check your car's brakes, tires and windshield and defrosting equipment. Whether you are driving or walking--let common sense and courtesy be your safety guides. They will pay off handsomely in health and well-being the patrol has said.

Remember the slogan--DRIVE AND WALK CAREFULLY--THE LIFE YOU SAVE MAY BE YOUR OWN!!
